

Execution of exploratory fishing is authorized

- On October 16, 2023, the National Fisheries Society and the Fishermen's Union met with the Ministry of Production (PRODUCE) and the Institute of the Sea of Peru (IMARPE) to discuss the start of an Exploratory Fishing.
- According to Ministerial Resolution No. 000354-023-PRODUCE, published on October 17, we inform you that the Exploratory Fishing for anchovy will begin at 00:00 hours on Saturday, October 21, for a period of up to 5 calendar days.
- The official quota will be announced early next week.
